

How to activate new digital product at Bookshelf?

The following steps outline how to redeem a 20-character registration code. These can be redeemed directly into Bookshelf online.

Please note that codes longer or shorter than 20 characters are not VitalSource redemption codes, and will need to be redeemed with the publisher/bookseller first.

To Redeem a Code:

1. [Sign In](#) to your Bookshelf Account (you can create one [here](#)).
2. Click [Redeem](#) in the menu bar along the top/bottom of the page.

3. Add your redemption code to the code box and click Redeem. For multiple codes, select the Add multiple codes link for additional code boxes.
