Strong Functionality

C.E.E.O.L. provides a considerable range of benefits to library customers, researchers, students, and professionals, and offers them convenient and reliable access to a content they that is otherwise difficult or very slow to get in print format. With approximately 150 issues added monthly, readers will be up-to-date with important developments in their respective subject areas.

- **Leading Content**: Access to full text indexed articles from 500+ periodicals from Central and Eastern Europe provided by leading academic and independent publishers.

- **Full text**: Articles available in full-text native PDF format including all figures, tables and images, offering an exact replication of the print format.

- **Fully indexed material**: Article bibliographic/indexing metadata information: article title, journal title, issue, page range, year, abstract, keywords. Bibliographic information on the first page of the article for citation purposes.

- **Author database**: 36,000 contributing authors, 15,000 of them being presented with bio and bibliographic information.

- **Easy to use**: Free browsing of table of contents and abstracts. Navigate by country, subject, author, publication.

- **Powerful search**: Boolean, field searching, and Google Scholar provided full text search across all articles.

- **Flexibility**: Pay-per-view access available for non-subscribers.
The Collection

- Comprehensive and up-to-date collection of over 1,000,000 pages across 500+ titles with 8,000+ issues
- Access to journal content dating back to 1991 (where available)
- Covering the complete range of humanities and social science disciplines
- Articles are presented as native PDFs that have been optimized for full text searching

Additional benefits for librarians and readers

- Seamless access via IP authentication for subscriptions – no registration or password required
- No simultaneous user restrictions, institution/campus – wide access
- Free course-pack use
- Walk-in user access
- OpenURL compliance
- ILL, course packs
- Online accessible usage statistics that include the number of documents downloaded (and which ones), number of accesses (also by IP range), number of searches, and time spent online

A Reliable Choice for Libraries

Your users demand unlimited access to authoritative literature that will help them further their research and advance in their field. The C.E.E.O.L. journals collection will be among your most valued resources pertaining to European research topics.
Licensing Options

C.E.E.O.L. can be licensed through an annual subscription. We offer a range of licensing options designed to meet different library needs and circumstances. Choose between unlimited access, package license and consortia access.

The license fee is based on Full Time Equivalent (FTE) enrolment for your university.

1. The Unlimited Access License grants unlimited access to all the full text articles (PDF format) of the periodicals at www.ceeol.com for educational, research, and personal use by the individual user, respectively the institution, faculty, staff, students, alumni, library patrons and other authorized users of the institutional network, for one year.

2. The Package License provides access to a certain quantity of downloads (articles) per year. This model is recommended for institutions that do not need access to the entire content of C.E.E.O.L., but for example only to documents in a particular language or from a certain domain.

3. Consortia agreement: Additional discounts for consortia members, depending on the number of participants
